In this edition:
  FACS Website
  Earth Day
  New Publications

**FACS Website.** April is Financial Literacy Month. Extension's basic financial literacy programs are designed to help consumers plan spending to meet needs, wants and goals today and in the future. Visit our [Financial Literacy](http://www.fcs.uga.edu/ext/employees.php) page to find resources and related links.

**April 22 is Earth Day.**
Each year, Americans generate millions of tons of waste in our homes and communities. There are many ways you can produce less waste and use fewer resources. Visit our housing page for great tips on [Living Greener](http://www.fcs.uga.edu/ext/employees.php) and [Living Green in the City](http://www.fcs.uga.edu/ext/employees.php) on YouTube.

**Information Sharing.** [FACS Publications](http://www.fcs.uga.edu/ext/employees.php) can be downloaded and/or printed and given to clientele or highlighted on your county web page.

- Farm Fresh and Fast: Cabbage **New!**
- Farm Fresh and Fast: Apples **New!**
- Farm Fresh and Fast: Snap Beans **New!**

**Did you know ...**

When you support parent-teen *driving education programs such as P.R.I.D.E.*, participants gain a clear understanding of family rules about teen driving and relevant state laws. Parent-teen driving education has been shown to be effective in reducing crashes, impaired driving, and distracted driving by teens, which results in safer travel for everyone in the community.
