Rye flour is a good source of fiber.

Darker rye flours are more nutritious than medium and light rye flours.

Rye is also available as rye berries, rye flakes and as cracked rye.

Many stores carry a variety of light and dark rye breads along with crisp breads made with rye.
Rye, Wheat and Corn Quick Bread

Ingredients

- 1 cup rye flour
- 1 cup whole wheat flour
- 1/2 cup cornmeal
- 2 1/2 teaspoons baking powder
- 1/2 teaspoon baking soda
- 1/3 cup molasses
- 1 cup non fat milk
- 1/3 cup plain non-fat yogurt
- 1/3 cup orange juice
- 3 tablespoons oil
- 1/2 cup chopped pecans
- Non-stick vegetable spray

Did you know:

Since rye flour contains less gluten, it is mixed with wheat flour so the bread will rise higher.

Directions

1. Mix flours and cornmeal with baking powder and baking soda in a medium bowl.
2. Mix together the molasses, milk, yogurt, juice and oil in a small bowl.
3. Make a well in the center of the flour mixture and pour in the liquid mixture. Stir until batter is moistened, but do not over mix.
5. Bake for 1 hour at 350 degrees. Take out of oven and let sit in pan for 10 minutes. Remove from pan and let cool slightly before slicing.
